

Saturday 10/5/13 Orienteering at Camp Tuscazoar

The rain held off during the day Saturday, while scouts enjoyed warm weather and white, yellow, orange, green, and red orienteering courses. 19 teams of scouts completed the white course and many came back for round 2, finishing yellow or orange courses. The troops did a great job tackling these events and their orienteering skills have obviously improved.

Thanks to these Volunteers:

Event Director: Kathy Jo Rufener

Course Designers: Ivan Redinger & Bob Boltz

And thanks to the scouts that participated, volunteered, helped carry supplies, or picked up controls!

Here are the event results:
